

**Progressing the Vocational Learner: Advancing the Apprentice into HE
Biographies
23rd February 2009**

Suzanne Leech

Suzanne Leech is currently leading the Step-In to HE Project, a joint project between Aimhigher Greater Manchester and GMSA designed to enable more Advanced Apprentices to progress to HE. Prior to this Suzanne has held a variety of roles including developing Access to HE provision with Open College Network, teaching on both vocational and academic courses and working outside education. She is particularly interested in the use of credit to aid progression and networking.
