

International Women's Day: Monday 8th March 2010

London South Bank University, Keyworth Centre, Keyworth Street, SE1 6NG: 09:30 - 13:00

Women setting sights higher

- **taking bigger bytes in Technology**
- **powering up in Engineering**
- **building bridges in Construction**
- **making it in Maths**

Keynote Speaker: Heather Hawthorne,
Royal Academy of Engineering

Student Ambassadors from the
Engineering and Technology sectors

Speakers from Sector Skills Councils
and the Equality & Diversity Unit at
LSBU

Free lunch provided

The Community Engagement team at London South Bank University, the London Engineering Project (LEP) and the South East London Lifelong Learning Network (SELLLN) invite you to a seminar to mark International Women's Day.

The seminar will focus on ways women can enter and achieve in the Engineering, Maths, Construction and Technology sectors.

This event will be of interest to:

- students from LSBU and South East London colleges
- staff and colleagues from HE and FE in South East London
- community groups in South East London
